The **Kingsbury Alumni Association Inc.** awarded \$13,650 in college scholarship expenses to sixteen current or freshman students at nine different colleges or universities this year. In addition, the Association donated \$1,000 to Kingsbury towards the boys and girls basketball teams. This year the Association finally surpassed the \$100,000 level with a new total of \$106,300 in scholarships, charitable contributions, alumni aid, and floral tributes in the last 21 years. We wish to thank the hundreds of alumni that have contributed over the years to help reach this major milestone. Visit www.kingsburyalumni.org for more alumnus information.
